

## MEDICAL AESTHETICS BOUTIQUE OMVE OPENS IN HILL CENTER GREEN HILLS

**NASHVILLE, TN (November 8, 2018)** — Atlanta-based medical aesthetics boutique [OVME](#) opens today in Green Hills at the [Hill Center](#). Founded by S. Mark McKenna M.D. M.B.A., OVME provides a sleek and contemporary take on the traditional clinical environment and offers a variety of medical aesthetic and wellness services for both men and women.

OVME delivers curated medical aesthetic experiences in contemporary and welcoming environments. OVME Nashville offers neurotoxins (Botox, Dysport), dermal fillers (Juvederm, Voluma, Volbella, Restylane), Vivace Microneedling, cosmetic laser treatments, testosterone replacement therapy, PRP for hair loss, vitamin B-12 shots, hydration therapy and more.

“The needs of medical aesthetics consumers have evolved beyond the industry landscape,” says Dr. McKenna. “We have considered every aspect of the medical aesthetic journey and

worked tirelessly to improve and reinvent that process.”

Advanced Aesthetics Nurse Amber Cruth is Nashville’s Lead Aesthetic Provider. Amber is a Registered Nurse, Advanced Injector and Cosmetic Laser Specialist with more than 13 years of experience injecting Botox and dermal fillers. She has worked with a wide variety of specialty products such as Juvederm, Restylane, Radiesse and Sculptra.

OVME’s philanthropic philosophy is guided by passion and commitment – A passion for wellness and a commitment to healthy communities, families, and children. OVME Atlanta has worked with the Make-A-Wish Foundation and will continue its charitable partnership in Nashville.

OVME is located in Hill Center Green Hills at 4017 Hillsboro Pike #310. For more information, or to schedule an appointment, call 615.307.7086 or visit [www.OVME.com](http://www.OVME.com).

### About OVME

Founded in 2017 by Mark McKenna MD MBA, OVME (pronounced “of me”) provides high quality, minimally invasive cosmetic services to aspiring women and men. OVME’s flagship ‘boutique’ is located in the heart of Buckhead Atlanta. The Buckhead location is the first of many boutiques that will be rolled out in select markets across the U.S. The boutique offers a sleek and contemporary take on the traditional clinical environment. OVME is squarely focused on creating medical aesthetic experiences that curate “the best ‘ov’ you.” OVME extends its ethos through an official partnership with the Make-A-Wish Foundation, donating a portion of proceeds to grant wishes for kids with life-threatening medical conditions across the country.
