

## Bank of America demo clears way for Pottery Barn

**NASHVILLE, Tenn. – Feb. 5, 2015** – Demo Plus, the Nashville-based company enlisted to handle demolition work on the former Bank of America building at [Hill Center Green Hills](#), will complete final clean up today, clearing the way for construction of a 12,684 sq. ft. [Pottery Barn](#).

Located in the northeast corner of the 220,000 sq. ft. mixed-use outdoor lifestyle center, the building shell will be delivered to Pottery Barn in October. Street Dixon Rick is handling the exterior design and a general contractor will be named soon.

Bank of America relocated to new property on Richard Jones Road in late 2014, allowing H.G. Hill Realty Company to begin planning the next phase of Hill Center Green Hills.
