Hill Center at Belle Meade expanded

By CHAS SISK
Staff Writer

H.G. Hill Realty Co. has bought a gas station next to its Hill Center at Belle Meade redevelopment, a spokesman for the Nashville developer said.

The firm paid \$1.3 million for the Griffin Phillips 66 & Tire Co. at 4328 Harding Pike. The deal includes the gas station and about a quarter acre of land.

The property will be added to the Hill Center, a 10-acre office and retail project near the intersection of White Bridge Road and Harding Pike, the spokesman said. The deal will let H.G. Hill expand the project's retail component.
